How?! How can Asuka be here?!
Almost simulta-neously.
OH, YOU FIRST.
U-UM!!

GIGGLE
I-I'M SORRY I CONFESSED MY FEELINGS TO YOU OUT OF THE BLUE LIKE THAT...
It must've been a shock, coming from your best friend...
...
B-BUT DON'T WORRY,
WHEN I TOLD YOU, I KNEW THAT YOU MIGHT NOT FEEL THE SAME WAY.
I don't want to cause any trouble for you, either...
IT WOULD BE WEIRD TO ASK YOU TO JUST FORGET IT HAPPENED,
BUT COULD WE STILL STAY BEST FRIENDS...? NAH, THAT'S PROBABLY OUT OF THE QUESTION...
YEAH, THERE'S NO WAY.

DEFINITELY OUT OF THE QUESTION.
THAT'S RIGHT.
WHEN YOU REALIZE THERE'S SOMETHING LIKE THAT GOING ON, YOU CAN'T JUST IGNORE IT.
You said it!
SORRY. CARRY ON, CARRY ON.
...
U-UM...
This is awkward..
MIMA... THE TRUTH
IS,
I...

WAS JUST AFRAID
TO ACCEPT MY OWN FEELINGS.
HUH?
I MEAN,
I NEVER IMAGINED YOU'D FEEL THE SAME WAY ABOUT ME...
D-does that mean...?
I *REALLY* REGRETTED TURNING YOU DOWN.
BUT WHEN I TRIED TO THINK ABOUT IT ALL, I GOT CONFUSED...
And just then...

"Why not trust your love to fate?"
IT'S A BUS TOUR. ♥
Please come.
U-UM, I DON'T BELIEVE IN THAT STUFF.
No, thank you.
THAT'S EVEN MORE REASON TO GO!
FATE ACTS *BECAUSE* YOU DON'T BELIEVE IN IT.
WELL, ♥ JUST PRETEND YOU FELL FOR IT, AND COME ON OUR BUS TOUR. ♥

I love "new things."
I love "firsts."

This is my first yuri comic. It's also the first book I've done that's the size of a post office box. (laugh)
Looking back on it now, I think there are a lot of "new experiments" and "firsts" in this book.

Special Thanks

To all my readers–both the new ones, who are reading my work for the first time, and my regular readers, who have read everything I've done–I'll be pleased if you're able to enjoy a bit of that "first time" or "new" excitement while you read this.

Everyone, new readers and old, thank you for picking up my book!! (><) I can't believe I got to put out a yuri book... I'm moved. And it's the first book I've done that's the size of a post office box. ♪ This is a nice "first"–I've been secretly yearning to do it. When I first got the opportunity to draw a short color manga for *Yuri Shimai*, I had no idea I'd get the chance to draw more. I'm so pleased. To be honest, I drew it thinking it might be a one-time-only deal... (This has been a common attitude for me ever since I started drawing manga for a living, actually...) I'm well aware that it's thanks to all of you readers that I'm able to draw more. I realized that when I started drawing for *Yuri Shimai* and *Yuri Hime*. The truth is, a long, long time ago, I used to draw illustrations and 4-panel manga for the readers' corner of a monthly yuri magazine (it was a ladies' magazine, so maybe I should call it a "lesbian magazine"). I did this for around three years. What a shock it was when I discovered–through email and the Net–that there were people who'd read my work at the time and remembered me. It was only a few small illustrations (smaller than 10cm, even) and one 4-panel manga a month. I couldn't believe they still remembered me!
I was sooo embarrassed, but also really happy. It's amazing that I get to reunite with those readers in this new yuri book. Thank you for checking out my manga again!! I'd like to thank all of my readers–both those who've been following my work from my debut and those who are seeing it for the very first time–from the bottom of my heart! I'm still wet behind the ears, but I'll continue to strive to draw stories that my readers will draw some small enjoyment from. Thank you, truly!
I hope we'll meet again in my next book...♥
